

WATERPROOFING WORKSHOP

Midas Earthcote Tygervalley would like to invite you to our waterproofing workshop on the 23rd June 2016 at Northlink College where various waterproofing systems will be discussed including cementitious products, heat fused membranes, self-adhesives, flashing systems and Polyurea intro. Technical Details and practical training will be done outside, this will cover mainly heat fused membranes, self-adhesive and flashings. Those attending will have the opportunity to try all the systems to enhance their skills.

Hosted by:
Jerome O’Ryan
Ryan Rack
