THE SWIRLY, VEINED LOOK OF POLISHED MARBLE, WITH MODERN LUSTRE. RESIN-STUCCO POLISHED WITH EARTHCOTE WALL WAX.

Inspired by the alchemy of Gaudi's work in Barcelona. The swirly veined look of two elements colliding and an intensity of colour that feels like it's from another planet. The look of a Pandomo wall might also make you think of that waxy, ribbed collar of a Cape cobra.
