

Application Instructions

Woodoc DECK Dressing MAINTENANCE

Maintenance for Dense Wood

WHERE TO USE PRODUCT

Woodoc DECK Dressing MAINTENANCE is a low-gloss, clear maintenance product for dense wood previously treated with Woodoc DECK Dressing. This product is designed solely for maintenance purposes and should not be used as an initial treatment or as a stand-alone solution. It is intended to be incorporated into maintenance after the primary treatment with Woodoc DECK Dressing. Relying on this product alone will not provide the desired outcome. It is formulated to maintain and support the effectiveness of prior treatments with Woodoc DECK Dressing. Only apply to dry wood.

For optimal results, alternate between using Woodoc DECK Dressing and Woodoc DECK Dressing MAINTENANCE to ensure long-lasting protection and enhanced wood care.

HOW TO PREPARE THE SURFACE

Wood previously treated with Woodoc DECK Dressing: Sweep surface with a broom to remove dust.

HOW TO APPLY THE PRODUCT

Stir very well with flat paddle before and during application. Do not shake or dilute product. Apply with a brush or cloth. Allow coat to dry **completely**. This may take up to 48 hours, depending on the weather. **Caution:** Over-application of this product may render the surface slippery. Clothing, shoes and furniture cushions could be affected for at least 48 hours after application.

COVERAGE

± 10 m²/litre per coat
