

Woodoc DECK Dressing MAINTENANCE Specification Sheet

Typical Application:

A low-gloss, clear maintenance product for dense wood previously treated with Woodoc DECK Dressing. Woodoc DECK Dressing MAINTENANCE is designed solely for maintenance purposes and should not be used as an initial treatment or as a stand-alone solution. It is intended to be incorporated into maintenance after the primary treatment with Woodoc DECK Dressing. Relying on this product alone will not provide the desired outcome. Only apply to dry wood.

Product Features:

- Formulated to maintain and support the effectiveness of prior treatments with Woodoc DECK Dressing.
- Provides UV-protection and is water-repellent.
- No scrubbing or sanding is required, merely remove dust and apply with a paintbrush or cloth.
- Non-toxic when dry.
- Bio-degrades at the end of its life cycle.
- Complete how-to-use instructions on label.

No: WDDM/001

Dated: 12/08/25
